Team Member Shifts and Volunteering at the KidStuff Resale

Sellers will now receive 70% of their sales instead of 65%!

KidStuff Resale Sellers/Team Members and volunteers are invited to shop at our exclusive presale Friday night from 6:30-8:30 pm. The presale is our way of saying THANK YOU for selling (or) volunteering and helping to make this sale possible!

Shift Opportunities:

Thursday: Equipment moving and setup (some lifting required – men needed, too!)

Friday: Sorting and setting up items for sale

Saturday: Sale & Cleanup (lifting is required for cleanup – men needed, too!)

- Please DO NOT place your items on the floor during your shift time

Log in [here](#) to view/choose open shifts.

Would you like to bring a guest to shop at the presale with you?

Two ways to do that:

1. You may work an additional shift for them! For each shift worked, one person is invited to shop at the presale. 2 shifts = You +1 guest, 3 shifts = You +2 guests, etc.
2. Anyone who works the Clean-Up shift on Saturday from 12:00-3:00, 2:00-5:00 pm OR the Check-Out shift on Saturday from 8:00-Noon or 8:15-12:15 may bring a guest to the presale.

Men are needed, too, especially for Thursday Set-Up and Saturday Clean-Up! Anyone can help – create an account online! You may also contact me to sign up a husband/mother/sister, etc.

Children ages 12+ may volunteer! – We will not be allowing children into the Presale unless they volunteer or are a qualified guest (see above). If your child would like to volunteer with you, please e-mail me at kidstuffresale@gmail.com.

Selling at the KidStuff Resale

1: Registration

Sellers will now receive 70% their sales.

Registration Fee

- All sellers will pay a registration fee of \$15 at the time of registration through Paypal.
- The registration fee covers the use of our system, cardstock, pins and creating 300 tags.
- Registration is not complete, and sellers cannot enter items, until the \$15 registration fee is paid.

Discount Option – Increase your sales! – Important Information

- **If you CHANGE the DISCOUNT option when transferring items, you MUST PRINT A NEW TAG!**
- Sellers have the option of offering items at a discount. Discounts will begin at 11:00 am on Saturday.
- If an item has not sold by 11:00 am, a 50% discount can be applied.
- Discounts will be read by the scanner at the check-out – discount info is embedded in the barcode on the tag.
- Each item must be individually marked in the tagging system to indicate the 50% discount.
- **IMPORTANT - If an item is marked for discount, the seller MUST highlight the "Discount:YES" discount option directly on the tag (see illustration below).** Any highlighter color is fine – make sure it can be seen. This is so shoppers can easily see that the item is discounted.
- The discount field is activated and read through by the scanner through the barcode printed on the tag, so when creating tags online, sellers must check the box for YES or leave it unchecked for NO for a discount for each tag (see Step 2 below).
- This is a great way to sell extra items! If donating an item, consider marking it YES for discount, too.
- The sales floor WILL BE CLEARED at 10:45 – All shoppers MUST get in line and check-out. The doors will be closed, the sales floor will be reset, and door will reopen at 11:00 for Discount Hour.

- **SIZE** is a drop-down menu – click on the field to choose your size. Clothing sizes are at the top and shoe sizes are at the bottom. **Note:** For maternity clothes choose size "not applicable" and indicate size in category field (Maternity – XS, Maternity – S, Maternity – M, Maternity – L, Maternity – XL)

- * If discount is changed in the computer, print a new tag.
- To **Print tags**, check each box you want to print tags for. (When the top box is checked it will select all the entries you have showing. Click "print" and follow the on-screen instructions.
Do not use "best print" quality as it is too dark – draft or normal work best with the scanners.
- Cut out tags and pin/tape according to instructions below. 8 tags fit onto 1 sheet of cardstock.

- All clothing items must be on hangers when you arrive to drop off your items.
- Keep matching outfits together by using an outfit hanger, rubber-banding hangers together or pinning items together on one hanger.
- Position hangers with open side of hanger to the left when looking at the front of the outfit as shown in the illustration – like a question mark.
- To save tags combine similar items together and use 1 tag. For example, pin 2 or 3 t-shirts together or rubber band multiple hangers together. Indicate multiple items in the description on the tag (ex: Description: 3 t-shirts – 2 red, 1 blue).
- * Remember if discount is changed in the computer, print a new tag.

Sizing Your Clothing Items

The size chart to the right corresponds to the display signs on the hanging racks. If the item has shrunk or runs small/large, please use the **fit size** and note as such on the tag. For example, pajamas usually run small, so it helps in selling the item if size 4T is used on the size 5T pajamas. (ex: Description: 5T Pajamas – fits like 4T).

Donating Items That Do Not Sell

You may donate any of your unsold items. **Please indicate on each tag all items you wish to donate and circle with a highlighter.** Donation receipts can be picked up at Seller Check-In.

We cannot accept donations during clean up; however, any unsold items not picked up by 4:00 pm will be distributed to charities at the discretion of the Resale Manager.

Suggestions for Pricing Your Items

Prices at this sale are generally less than at a resale shop, but more than a garage sale. A good rule of thumb is approximately 10 – 25% of the original price of the item. For example, if you paid \$20 for an item new, then mark the item \$2 - \$5. Be careful when pricing items that you are sentimental about – if it is priced too high, it may not sell. Here is a guide to help you out...
